Ho hum, so that's May over and done with for another year, which means we've got to endure the long summer drought before there's a bit of footy to watch on the telly again. Oh, hang on a minute, though – isn't there some sort of tournament coming up? And, unless my eyes very much deceive me (they often do), that looks remarkably like our very own Stella cavorting around in her kit! So no wonder Wayne Rooney or his bird have been in the papers so much – it's a World Cup summer! Hmm, a bittersweet time for anyone who's country didn't qualify, not to mention anyone in England who likes to walk out of their front door without getting entangled in the whopping flag their neighbour's dangled from the window. Still, if you're keen to avoid the whole thing, we've got about a dozen good distractions lined up for you. Otherwise, well – enjoy the football and the birds! **The Ed.** ♣

SEALED WITH A KISS

My friend Phil and myself were sitting in the pub the other day complaining about the lack of new talent in our local. Sure there's the odd stunner every now and again, but as we've got older they all seemed to be getting married and having kids. So Phil said, "We should go down to my sister's house on the south coast for the weekend and chill out."

I agreed and when Friday came we made our way down to his sister's. Phil's bird Laura also came with us which was a bit annoying since we were meant to be going to the coast to chill out but I guess it was the more the merrier. Besides, it was actually Phil's sister's 30th birthday that weekend so she was having a small gathering at her place and I hoped that meant there was going to be a decent bit of skirt there.

I hadn't seen Phil's sister Natalie for over 10 years and while she wasn't that bad to begin with she certainly looked a treat now. She had slimmed down and had slender legs and a lush arse, made all the more better to look at by the tight jeans she was wearing.

She'd got a barbecue going in her back garden and the beers started flowing. Pretty soon we were moving on to doing shots and as it got later all the kids started going to bed, as did Natalie's husband who had to get up early for work the next day.

The rest of us retired to the lounge to continue drinking. Phil and Laura sat on one sofa while I shared the other with Natalie. We got a bit embarrassed when Phil and Laura started kissing and I jokingly told them to get a room.

"Hey, when you're as good as kissing as I am you need to practice," Phil joked.

"Shut up!" I replied. "You're just saying that because there's no one here who can vouch for what a great kisser I am!"

"Well," Phil said, "kiss Laura if you want."

I was dumbstruck by this and expected to see a similar look of shock on Laura's face but she smiled at me and nodded.

"Go on," Phil added, "I don't mind if she doesn't't!"

So with that I leaned over to Laura and started kissing her with Phil and his sister – who was probably the most shocked of all – watching us. After a few minutes of frantic tonguing I pulled away and Laura turned to Phil and said: "Sorry, he's just got my pussy wet as fuck. He's definitely the better kisser."

With that encouraging recommendation I sat back with a massive smug smirk on my face before needing to get up to have a piss and grab another beer. I was just zipping up when the door to the bathroom opened and Natalie walked in, closing the door behind her.

"So you're a good kisser, eh?" She said with that look in her eye. "Ever kissed a married woman?"

I pretended I hadn't (that's another

A CHAN FAN

After seeing 35.4 I've decided Chanta surely has to be the sexiest non-blonde *Club* regular since Nadia. I always looked forward to seeing my favourite pixie porn princess in your magazine but now I'm besotted with Chanta. She has a tight little body and her dark skin makes my mouth water, as well as my cock stiff! I don't mind you featuring blonde babes like Stella and Sandy all the time because they are gorgeous in their own right, but I think Chanta deserves to make regular appearance because she really is in a league of her own.

HIPS AHOY!

I can't believe I spent over 30 years in the merchant navy, travelling all around the world by sea and I never had the pleasure of serving on board a ship with the lovely Vicky from your last issue. Sure I had a girl in every port and they taught me a lot of things when it comes to sex, but none of them were as gorgeous as Vicky. So if she ever fancies frigging in the rigging with a salty old sea dog, please pass her my details. I would have definitely let her ride my vessel

FLIGHT OF FANCY

Smashing issue last month, particularly liked the first girl Abbie, she seems a lovely lass. And a former air stewardess as well. I've always had a thing for air stewardesses. Clichéd, I know but there's something about their uniform. I guess she wasn't the air stewardess who got herself in hot water a few months ago after screaming 'we're all going to die!' when the plane she was working on started to plummet. I can imagine if Abbie were in a near-death situation she'd strip naked and make some lucky passenger's final moments something to remember.

story for another time) and I closed in on Natalie. She threw herself at me and just started kissing me all over. Then she grabbed my hand and put it up her shirt before she grabbed my dick. I started to groan and she told me to be quiet because her husband was only next-door.

Natalie then pushed me down onto the edge of the bath and took her top off, letting her tits bound into my face. As I chewed on her nipples her hands worked down my shorts, letting my stiffy bounce out into her hand. She began wanking me off and rubbing her tits in my face. Then she got on her knees and started sucking me off. She had the perfect blow-job mouth and used it well, working me right to the back of her throat and then bringing her lips back over my knob, over and over again.

She must have known I was about to cum because she then stood up and abruptly said: "No! I want your cock in my pussy."

I was only too willing to oblige and as she turned round I pulled her knickers down over her arse and stroked her wetness with my fingers. She moaned in response and pushed back on my hand.

'RONI'S COR-BITS!

Where does all the new talent come from? We don't know, we just hope it keeps coming!

PHOTOS: F. DELMAS

One day she's waiting tables for the minimum wage in an east London greasy spoon cafe, the next she's strutting her stuff for our photographer in a swanky foreign location. Veronica's heart-warming rags to riches story should act as an inspiration for any wannabe porn models – all it takes is a bit of luck, determination and, most of all, a body men can't resist tugging one out over.

"I couldn't believe it when one of the customers I was serving suggested I consider a career as a porn model," Veronica told us. "I thought he was just being crude, but that night it really got me thinking. I love walking about my flat in the nude and looking at myself in the mirror, so why wouldn't enjoy showing off my body in a magazine?

"The next day I quit my job, got in touch with your photographer and the rest as they say is history. Not only is the pay great, the hours easy and my colleagues good fun to work with, I also get to fantasize over the idea of a complete stranger wanking over my pictures. Now that's what I call job satisfaction!" ♣

DOUBLE THE FUN

I can't believe you've gone and done the double again! I am of course referring to the double whammy of seeing Stella and Josie in action together. I know they've always been firm favourites among *Club* readers so every time you have them getting dirty with each other, we're always in for a treat.

After seeing the fantastic pictures of them in the last issue I thought the only thing missing from such a great combination was myself. I would love to be in a threesome with those two adorable babes.

First I'd watch them at it. I'd love to be seated just metres away from them as they strip each other naked and then begin to eat each other out. All the while I'd be stroking my stiff dick and then when I felt it was time I would ask them to come over to me and undress me. Once I was fully naked I would love it if both of them took turns on sucking on my cock before I took one of them from behind while she licks out the other. I don't know who I'd love to shoot my load inside most so to be fair I'd spray it over both of them.

Thanks once again for putting them together, hopefully it won't be the last time!

"Fuck me!" She said with a broken, desperate voice, and sure enough I stood up and worked my rod into her dripping pussy. I was sure someone would hear us as I rammed my shaft in her gushing love hole, and she screamed so loud when she came a few seconds later.

Natalie then fell onto her knees on the floor now. She was leaning forward, I was behind her and ready to push my prick into her pussy when she grabbed my cock and demanded, "fuck me in the arse."

With that she started rubbing my swollen head between her bum cheeks. It was almost like she was pleading me to bugger her and my cock was so juiced up from her pussy that it didn't take long before I'd got a couple of inches past her tight brown ring – and then it just popped all the way in. I grabbed her waist tightly as I banged away at her rear.

Her bum was so tight it didn't take long before I could feel my balls swell up and I took out my cock just in time to gush a wad of cum over her arse hole. A good thing really because my pounding arse stokes had caused her to groan slightly louder than I would have liked.

She looked a great sight lying there afterwards – regaining her breath while my cum seeped out of her delicate behind, swollen fresh from being fucked senseless.

We got dressed and returned downstairs but Phil and Laura had obviously got horny themselves and weren't in the lounge. I crashed out on the sofa while Natalie went to join her husband in bed. So much for wanting to chill out for the weekend, I felt so bad doing what I did and with Phil and Laura having a good idea of what I had got up to with Natalie. Oh well, as long as her husband didn't find out!

TOTAL TURN-ON

You can't blame Steph for not wanting the lights turned out during sex because she really has a body to behold. She certainly looks a classy sort and I'd love to get my hands (and then my lips) around her tits. Seriously, if anybody ever considered doing her in the dark they must be out of their mind. Who wouldn't want to admire her beauty while fucking her? I can only imagine they'd want the lights off because they're ashamed of their own bodies, but come on, if you were lucky enough to be slipping Steph a length, you wouldn't care less!

Being fit and healthy types here at *Club International*, we gladly abide by the government's recommendations of five portions of fruit or vegetables a day, especially if we're allowed five portions of Peaches. We reckon the doe-eyed little darling would definitely keep us in shape if the tales of her sexual energy are anything to go by…

"I've been known to keep men up all night," the little minx declared. "I'm not content with just one orgasm, so when a guy gets me into bed he'd better be ready to go the distance. I appreciate a bit of foreplay and I love having my pussy licked out so I usually demand that for the first hour at least!

"Once a guy had made me climax with his tongue then I usually return the favour. Most guys end up shooting their first load inside my mouth but by the time I've finished licking up all their spunk they're stiff again and ready to fuck my pussy. And that's when the real fun begins – if they can make it that far!"

THE NAKED HISTORIAN

PART 6: THE CORINTHIANS

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUEDUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES…

Hello, I'm Nigel Pullman-Carriage, The Naked Historian. Hello. Welcome to my special "World Cup" edition of The Naked Historian with Nigel Pullman-Carriage. Hello. Without further ado, any more delay, continued stalling and pointless procrastination, let's turn to this week's tenuously "World Cup" themed civilisation and ask: What did the Corinthian's do for us?

BROUGHT TO BOOK

Most of what we know of the Corinthians comes from ancient legends and the kind of folklore tittle-tattle that they print in the Bible. Most will know of Saint Paul's letters to the Corinthians, but as he was a religious nut, we'll just leave him right there. Fortunately, my own research in the area led me to the valley of Argos, where I stumbled upon the remains of a ruined city. Lying on a great trade route between Rome and the East, inscriptions found on the walls and on tiny clay tablets seem to suggest that Argos was some great cultural trading centre, where good would be held in a vast warehouse and purchased by travellers from within the confines of a sacred book. While this obviously has no bearing on the modern day, I believe that this form of almost "catalogue store" shopping and love for the material rewards of life was the beginning of the greed, tyranny and corruption to be so famously linked with Corinth. But let's go back first to Corinth's celebrated past. Few will remember that Corinth was the place that first hosted major sporting events, events that later became the Olympics (the sport they were allowed to enter was rock putting). Here Jason picked his Argonauts – the finest athletes of the time – and set sail for the Golden Fleece. This was a stomping ground of Heracles (Hercules for those that watch TV) and a place of sporting excellence. So, in this way, we not only owe the Olympics to the early people of Corinth, but also casual knitwear, Kevin Sorbo's career and, indeed, all organised sport.

Argos
Argos

FLAGGING SPIRITS

Initially these athletes were more than happy to compete for the honour and glory of it all, but within a generation or two the rot started to set in, when they twigged that they could demand whopping payments for running around in shorts. With an eye to the main chance, many instructed a primitive form of agents to book them lucrative temple openings and sponsorship deals with the likes of the god Nike. Before long, many were earning more in half an hour than most of their countrymen could every hope to scrape together in three lifetimes, and this in turn led to greater exposure and the birth of that great destroyer of societies: the celebrity tablet. In the ruins of Corinth in 1976, I unearthed a tablet with likenesses of the heroes of the day scratched into it alongside ancient Greek text. Across the top ran its title – named in honour of Prometheus who stole fire from the Gods: *Heat*… and it was bad.

But having already angered the Gods with this wanton show of defiance, the Corinthians, now convinced of their own superiority, began the slide into depravity fully. Over-drinking and gambling became an issue, as did Hemlock abuse and deviant sexual practices, such as one in which Corinthians would drive their chariot to a field and watch other Corinthians having sex… or even join in.

Naturally, the only women who would be involved were hardly the city beauties and, as such, the Corinthians labelled the pastime "Dogging". Later, things spiralled even more rapidly downwards, and in the remains of some of the ruined hotels of the city, even now, the sportsmen of Corinth can be seen crudely etched into the walls, two to a woman, one at one end and the other t'other… like some sick form of spit-roast. Within the space of a few decades, Corinth had shifted from being a bastion of honorable sporting endeavour to a bastard of tabloid tattle, celebrity endorsement, drugs and bizarre sexual practices.

GONE TO POT

Corruption seemed just about everywhere in Corinth. According to scraps of ancient papyrus found in an Argos rubbish pit, the head of the Counsel of 80 had been caught promising Aristocratic positions for "donations" to his political ambitions, the leaders of the Corinthian sporting association were bed-hopping from one secretary to the next and the public of Corinth had turned to murder as the new best way to pass the time. Something needed to be done to get Corinthian's interested in sport for sport's sake once more. Fortunately, there was a new innovation just around the corner, a new sport that involved the skilful application of blunted javelins to a selection of balls on a table, the idea being to use one ball to knock another, more vibrantly coloured ball into a hole. The men of Corinth put down their wine and whores just long enough to take an interest in the game. And, thus, snooker was born.

Before long, word was out and pasty-faced men from all across the kingdom would flock to venues dedicated to its practice. There followed the first ever Ancient World Championship during which it was written: "slightly dull warriors from all across Greece and Rome would come forth, chalking their mark and strike incisively at the balls until none would remain. Then they would go home and eat some slightly warmed bread in celebration."

The Corinthians had created cronyism, snooker and toast all in one week. What now but beige political embarrassment could fate hold for them?

FIN

Well, ignominy and death actually. Yep, even while snooker was attracting the interests of the major ancient world advertisers, before you could say "Here comes Mummios to kill all the men and sell the women and children as slaves", the Roman general Mummios came to kill all the men and sell the women and children as slaves. Funny old world, eh? Still, had it coming to them, didn't they? After all, knitwear, Kevin fucking Sorbo, Argos, celebrity endorsement, dogging and *Heat* magazine? It's hardly the greatest legacy, is it? Still, I bet it pisses all over what the Americans leave behind!

FLASH IN THE PAN

Adel can't help playing with her privates in public!

PHOTOS: NICHOLAS SAGE

We don't know why girls in pubs and nightclubs have the tendency to go to the loo in pairs, but here's a possible reason why they don't go alone. Adel only popped in for a bit of light relief but leave a sex-starved stunner like her to her own devices and masturbatory mayhem ensues.

"I can't help it," she told us. "Ever since I discovered the delights of self-pleasure any chance I get I've got my hands down there and I'm frigging myself silly. The problem is I'm starting to do it in more daring places. At first I just did it in the privacy of my own bedroom but now I'll do it almost anywhere. I've played with myself on a busy bus, in the back of a university lecture and now I'm doing it in the pub toilets. Is masturbating in public toilets a bad thing?"

You may feel confused and say "Wo!" a lot this month after you begin receiving instant messages from a mysterious slap-head called Morpheus, discover the world around you is generated by some sort of Microsoft product and find a dirty great SCART-plug in the back of your neck. But don't be a Gloomy Gordon! It's not all bad. The upside includes the ability to dodge bullets in slow motion, dark glasses and a cool leather jacket. On the other hand, you've two seriously shit sequels to plough through. Brace up: so has everyone else.

(June 22 – July 23)

Relationship difficulties with your partner take a back seat this month when Alan Rickman and his goons take over the Los Angeles tower block you're visiting while you're shoeless in the carsey. Only some ridiculously impossible stunts involving out-running explosions, a string of naff one-liners and some really bad acting can save the day.

A mysterious heat bloom in the Antarctic disclosing the presence of an ancient temple far beneath the ice where alien hunters and extraterrestrial creatures with acid for blood ceremonially kick the shit out of each other every hundred years may occasion a request from Charles Bishop Weyland to join his team of whiney doomed "experts" on a mission to get themselves killed one by one. Don't go. The extra scene where we see you killed will only make the film seem even longer.

Lately you may well have been having trouble with your colleagues and feel that getting embroiled in a pointless series of battles in a galaxy far, far away is more than you can handle when he asks you to join in. For the past few weeks you have been concerned that one day a robot who's not allowed to kill people might go berserk and murders someone and this month your worst fears in this regard are realised when a robot who's not allowed to kill people goes berserk and murders someone. Though that's one way of detoxifying, it might be much less traumatic to attend a meeting of your local AA branch and dry out without all the blood, guts, severed limbs, and drama.

Venus is in the Eleventh House this month, which means Christopher Walken is up to his old tricks again, galloping up and down baring big pointy teeth and a Johnny Rotten haircut, decapitating folk one by one, kicking off with the old bloke from *Space 1999*. Your patience with computers has been sorely tried of late, but the new Hal 9000 on your spaceship is doing your fucking nut. First it kills your mate, then it locks you outside of the ship. Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabee, ASPEN MARTIN?

Ask Aspen!

MY KNOB'S TOO SMALL!

Dear Aspen,

Recently I have been noticing that a lot of men's penises are much, much larger than mine. Of a sample viewing of some 700 other bloke's knobs glanced at in pub and restaurant toilets, sports centre changing rooms and at in public swimming pools when I swam underneath and lifted the leg of their trunks for a peep, I have found that fully 689 made mine look like a cocktail sausage.

I may be clutching at straws but 689 of the 700 other-blokes-knobs I've checked out being much larger than mine could be a statistical anomaly of some kind – at least that's what I'm hoping. My girlfriend is of no help as I don't have one. As is the case with so many things to do with sex and that, Aspen, I suspect only you know the answer. To this end I have enclosed a life-size photograph of the offending article.

Worried I'm Tiny, Barking

ASPEN SAYS!

Dear Worried,

What??? That's a life-size photograph of your cock?! I thought it was a CONTACT PRINT or a THUMBNAIL! Sorry, "Worried I'm Tiny": your statistics are no anomaly. I've seen more than my fair share of donglers and, even fully erect, your shaft is electron microscope material. What really worries me, however, is that, of all the other blokes' cocks you had a bit of a sly look at, 11 poor bastards had the same tiny middle wicket… or smaller!

The only thing I can recommend is a sex change – I know that I feel so much more confident since mine.

MY GIRLFRIEND SHAGGED EVERYONE IN SIGHT AND LEFT ME HEARTBROKEN

Dear Aspen,

One night last week I took my girlfriend to a gangbang at a mate's house. You can imagine my horror when only seconds after getting in the door I noticed her chatting up all the lads and even playing with their cocks.

But nothing could have prepared me for what came next! In the course of the next three hours she had sex with every single one of them, sometimes two or three at a time. For the first twenty minutes or so I put it down to the two beers we had knocked back at the pub just before we went round to the orgy, but my concern turned to absolute horror and heartbreak when I realised that she was perfectly sober and knew exactly what she was doing.

I went up to my mate Karl who owns the house and asked him what the fuck kind of a gangbang this was and didn't he think it was high time he put on a record or something, but to my disgust, when I looked down to see why he was waggling his hips while I was talking to him – which is rude enough in itself – I noticed he was balls-deep in her arse.

I'm still in shock! Please help me. I still love Elaine and can't come to terms with the fact that she'd betray me with all these guys when I just took her out to a nice quiet orgy for the evening.

Heartbroken, Tring, Herts.

ASPEN SAYS!

Dear Heartbroken,

I can only sympathise with you and send you a dictionary. In the meantime, if your girlfriend is available to come to a party I will be attending at Dave, Mick, Jim, Rob, Alec, Derek and Colin's flat (address to follow by email) next Friday, I promise that we will all have a word with her concerning her unconscionable conduct.

Kissy kissy kissy,
Aspen x

EMPLOYEE OF THE MUFF

Now this is the sort of screen break that should be mandatory in every work place!

PHOTOS: STEVE COLBY

What sort of antiquated office still allows smoking at your desk in this day and age? And come to think of it, what work place allows female members of staff to strip naked at their desks? Wherever it is, we'd like to work there. Oh, hang on a minute, we do! Of course, Tamara doesn't really work in our office but we were curious as to how she'd look as a sexy secretary and we think you'll agree she looks just the girl for the job!

"I don't think I'd be cut out for office work," she admitted. "I don't know how you can sit chained to a desk for ten hours a day. I get bored after half an hour posing in front of the camera so I'd be lucky to last until elevensies in an office. It would be all right if there was something nice to look at during the day but in all the places I've ever worked the only decent figures I've seen are on a calculator. Mind you, I've heard office Christmas parties can be a source of naughty fun."

True, but that's six months away! ♣

The BIG Interview

Gross Misconduct

Liars have three amazing albums, singer Angus Andrew shags Yeah Yeah Yeahs' Karen O, and the boys have been invited to play at the electronic pillfest that is Sonar in Barcelona. Drummer Julian Gross can't wait...

Now then Julio, have you ever been caught beating yourself?
I was in a dorm and masturbating in the bathroom. I had this real strict room mate. He was religious and very proper. I was in the stall doin my thang and just as I was about to cum he opened the door. There was no turning back at that point and I just came all over his pants. Needless to say I didn't have a room mate after that. Only Satan in hell where I belong.

Please can you explain the gay porn thing? *(The boys had an edible single cover with their heads Photoshopped onto the bodies of naked men!)*
The only thing that really separates a marriage and being in a band together is usually the sex. We sleep together, change clothes together, eat, travel... We just don't fuck each other. I wanted to fill that empty space in our life. It was as a joke originally, but I couldn't stop laughing and staring at it after I was done. And all our other ideas for the cover got shot down by the label; they were too expensive. And then I thought of making it edible and it just seemed very disturbing. I hadn't seen anyone do that yet for a cover. And I love that kinda fake celebrity porn where Britney Spears, Tara Reid and Halle Berry are in a threesome with two faceless guys with horse cocks. Photoshop is lord.

You're right. What sort of smut do you like to download yourself?
I love all the amateur stuff. Guys going out with cameras seducing girls and bringing them back to their house. I like Euro Sex Parties. They have really nice orgy scenes where it looks like everyone is having fun, no fake boobs, the guys aren't assholes. I really don't like the normal staged porn anymore. Same positions, same girls, fake tits, ugly faces on guys who are having sex. All too planned. Milf Hunter is nice.

We all like Milf. Do you ever read *Club International*?
Mostly at the age of twelve on my Grandma's bathroom floor. It was my Uncle's secret stash from the secret door in the cabinet. I used to steal them and then hide them under my mattress at home. I would be in there for like 15 minutes and they would knock on the door. "Just a second, I will be out in a minute!"

Very similar to my introduction to *Club*, but I've never wanked at my Grandma's. Have you ever knocked the fuck out of someone?
I spent three months in prison for robbing a liquor store with a fake gun. On the first day someone tried to take my pudding. I know it was put up or shut up, so I clocked him. He went down and I had pudding for the rest of the time I was there.

The filthy bastard! Tell us about a complete fuck up.
I once bought a car from someone in Europe, only to find out it was actually a rental. Damn. Had all the Italian police laughing at me.

Italians, eh? Ever been held at gun point?
Angus and the old drummer, Ron, got robbed in New Orleans. One of them pulled out a gun and pointed it at Ron. Hero Angus stepped in and got kicked in the balls so hard they were the size of softballs and the colour of plums for two weeks. It was like something from rotten.com.

Ouch. Where is the funniest place you've ever had sex?
In someone's ear.

Good lad. What funny jobs have you done in the past?
I was a mover in Washington DC once, helping old ladies move home. I'd find vibrators and sometimes dirty photos. Mind you, these women were like 75-80 years old. God bless them.

Cheers fella. Good luck.

'Drum's Not Dead' is out now on Mute. Liars play the Sonar Festival in Barcelona on 16th June. Check out www.liarsliarsliars.com for more info. And possibly gay porn.

NEW Albums

Dirty Pretty Things
Waterloo To Anywhere (Vertigo)
Ex Libertines frontman Carl Barât and drummer Gary Powell rob the bass player from Cooper Temple Clause, recruit that bloke with the fancy surname who filled in for Doherty before he started knocking Mossy off, then record 2006's most anticipated album.

The Zutons
Tired of Hangin' Around (Deltasonic)
The world's fittest saxophonist and her mates are back with their second album of jazzy Scouse pop and it's a Bobby Dazzler. You won't see any trendy Tiga remixes or anything like that – it's much more car stereo than dancefloor and you're Dad's gonna want to borrow it to possibly shag your Mum to.

The Flaming Lips
At War With The Mystics (Warners)
This has got the lot – good old rock'n'roll, touches of gayness, happy songs, samples and weird bits for the nerds. In short, it's amazing. Best part? *Free Radicals*. Not only does this sound like a cover of Prince's *Kiss*, but it's practically a licence to walk up to fit young girls on the dance floor and gyrate your crotch in their general direction.

Various Artists
Transgressive Singles Collection: Volume 1 (Trangressive)
This label are to great music what Simon Fuller is to shit music. Particularly instrumental on the London crack head scene, Transgressive have released early material from The Subways, Mystery Jets, Ladyfuzz, Burningpilot and The Pipettes – all present on this cracking compilation. Incidentally, three of these bands have ridiculously fit young ladies in them. They should do a Trangressive Records calendar. It would sell shit loads.

A Million Billion
Volcano Season (Exercise1 Records)
Ryan Smith, aka A Million Billion is in another band with members of Mercury Rev and Interpol (The Silent League), he's good mates with Don's Mobile Barbers, and he's got a record label called Filthy Schoolgirls. What a legend! This sounds like The Flaming Lips with twinges of Damon Albarn on vocals and is the perfect soundtrack to finger girls to.

ANOTHER FINE JESS...

...and her equally agreeable friend Jana.

PHOTOS: EARL MILLER

Why is it that we never get bored of the lesbian thing? If you think about it, it's a tired old routine – two girls making out, rubbing each other's bits and teasing each other to orgasm without penetration. The reason why we don't get bored of it is because of girls like Jana and Jesse and the thousands of other beautiful bean flickers and pussy lickers that represent the acceptable face of lesbianism. That's why. And by the sounds of it, they don't get bored either…

"There's so much you can do with another woman that you couldn't do with a man," reckons Jana, using her lush lezzie pal Jesse as the perfect example. "OK, so men have dicks, but that's about it. Women have got boobs and pussies and they're far more interesting, especially if they're as inviting as Jesse's."

"She's right," Jesse agrees. "You can suck on a prick until it comes but you can have loads more fun with a fanny. You can lose yourself between another girl's legs and spend absolutely ages down there, while they do the same to you."

So basically, what you're both saying is, you'd happily go without male attention?

"Hey, don't put words into our mouths – we just like to keep our options open."

As well as your legs! ♣

Footie Fetish

Since every magazine from *FourFourTwo* to *Knitting & Crochet Digest* will be jumping on the football bandwagon this month as Germany plays host to the World Cup finals, we figured we might as well do the same. We all know from that old TV advert that football was discovered by a group of medieval English peasants following the careless disposal of an empty can of lager, but how much do we know about the history of the prestigious World Cup tournament? Well, it hasn't always been the world uniting celebration of the beautiful game that Sir Julian Rimet originally had in mind…

"Did he tell you I pissed over it first?"

1930 URU-NICE-GUAY ALL ROUND

Uruguay was picked as the venue on the grounds that they were the existing Olympic champions, were celebrating 100 years of independence, and looking a bit like 'UR Gay' when translated into text speak. Sadly, though, the first World Cup wasn't as glam as it might have been, with only a piffling 13 teams entering. The Brit nations weren't allowed to play after a tiff with FIFA over pay, while most of the other European nations refused to travel to a country of jumped up colonials, making it easier for the hosts to bag the trophy.

1934 BENITO'S BONANZA

Politicians love a bit of free publicity, so Italian dictator Benito Mussolini revelled in the abundance of PR when his home country hosted the second tournament. While the turn-out was a bit better this time round, the 32 teams entered still didn't include any British sides, and the south American nations only sent their reserve youth teams over in response to Europe's consensual non-attendance in the previous tournament, with Uruguay declining the chance to defend their title and Italy going on to win outright. All in all, then, a big fascist thumbs up for Il Duce.

"Simon says, put your hands on your hips"

1938 WAR GAMES

With a massive global ruck imminent, France was chosen as the destination for the third tournament, giving Hitler a decent ruse for gathering intelligence for a forthcoming invasion. Again Uruguay and Argentina refused to make the 8,000-mile trip on the grounds that there was something good on telly that month but Cuba and the Dutch East Indies did make the effort. Their first and last. Italy went on to celebrate two World Cup victories on the bounce, and their FIFA vice-president kept the trophy safely tucked away among some vintage editions of *Club* under his bed while the small matter of World War II put things on ice for 12 years.

1950 CARNIVAL OF CHAOS

In Brazil, this should have been the start of the World Cup proper, with the inclusion of an England side in the tournament at long last, but they soon wished they hadn't bothered crossing the Atlantic, after being humbled by the USA of all sides. Moreover, the whole tournament was a complete farce from the off, exemplified by India's withdrawal from the contest – missing out on a lucrative sponsorship deal from Nike in the process – after not being allowed to play with bare feet. The shambles peaked when the host nation, so gutted at being beaten by Uruguay in the final, forgot to present the trophy to the winners and left it to Jules Rimet to take it down the post office and send it recorded delivery.

1954 NEUTERED BALLS

Playing up to national stereotypes, the tiffs and tantrums that plagued previous tournaments seemed to disappear when the World Cup was hosted by the neutral Swiss. Teams from Asia, Africa, South America and Europe made the opening groups and with the Scottish making their debut, it resembled some sort of Benetton ad. Basking on Olympic victory, the Hungarians were the bookies' favourite, bulldozing their way through Korea, West Germany and Brazil to reach the final. Only to find an efficiently improved West Germany beating them when they got there.

"Do I seriously look like I could jump that high?"

"Hey, who didn't tie down that balloon?"

1958 YOU ONLY SING SVEN YOU'RE WINNING

The home to Ikea, Volvo and Abba became the home of the tournament that introduced the world to footballing wonder kid, Edon Arantes do Nascimento. Better known to his parents as Pele, the 17-year-old helped his native Brazil all the way to world cup final victory. But the real stars of the 1958 campaign were newcomers Wales and Northern Ireland, who fared slightly better than their English cousins. Just.

1962 CHILE CON CARNAGE

The goodwill of the last few World Cup contests went out the window when Chile played host to the seventh tournament. Many games were marred by violence both on and off the pitch. Even so, a Pele-less Brazil managed to bounce the Czechs in the final and go onto claim a second consecutive victory.

1966 TWO WORLD WARS & ONE WORLD CUP

England won. What more do you need to know? Hurst and co. made the most of playing on home turf by blitzing England's arch rivals West Germany, while a mongrel dog called Pickles made headlines by finding the recently stolen Jules Rimet trophy while sniffing round some south London undergrowth.

1970 BRAZIL'S THIRD PARTY, NO FIRE & THEFT

Following their victory on the pitch some four years earlier, England's campaign in Mexico got off to a shaky start when impeccable gent Bobby Moore got fingered for shoplifting in Columbia. It looked like a stitch-up, but it didn't stop Moore and his boys bowing out prematurely, while Brazil took the trophy home for a third year, this time being allowed to keep it for good.

1974 MULLER BOOTS CORNERS

The last time the world cup was held in the Fatherland, England didn't even qualify. In our place were a bunch of fantasy sounding countries including Zaire, Haiti and East Germany, the latter of which must be made up because we can't seem to find it in our brand new atlas. Not that it actually matters much because their Western namesakes actually won.

1978 ARGIE BARGIE

Military dictatorships, assassinations, match rigging – no wonder England went to war with the host nation four years later. Or was that because they didn't qualify for the 1978 contest, while the Scots did? A waste of time anyway as the home side eventually went on to win it.

1982 PAELLA & PAVING SLABS

When the tournament reached Spain, football hooliganism was in full swing and the Brits cemented their notoriety off the pitch, giving *The Daily Mail* ample scare-mongering content for the next few years. Scotland, Northern Ireland and England all qualified but even Bryan Robson's fastest goal in World Cup history for the latter couldn't get a home nation past the second stage. It was a strictly Euro affair in the semis with Italy eventually going on to claim a third World Cup victory.

1986 MEX HEX

The last time England were in Mexico, Bobby Moore was suspected of stealing jewels, so it was a strange coincidence 26 years later that saw the England squad feature a player who went on to become a notorious crisp thief. But that was after he earned himself the Golden Boot award and almost carrying England to the semi-finals, had it not been for Maradona relying on divine intervention to 'hand' Argentina their first victory since losing the Falklands.

1990 THE CRYING GAME

Back in Italy after more than half a decade, this was the World Cup where England edged past Cameroon in the quarter-finals, arriving at a semi-final showdown with the Hun. Lovable Geordie loon Gazza provided the most memorable moment when he turned on the waterworks after a booking, which would prevent him from playing in the final. Still, it all turned out alright, as England were defeated in a penalty shoot-out, a bitter precursor to their World Cup fate for years to come.

1994 THE GLOBAL SOCCERBALL SERIES

This was the World Cup tentatively re-branded Soccer '94 to drum up interest in a host nation more akin to such sports as American Football, Baseball and war mongering for oil. Brazil won for the fourth time but the tournament's biggest loser had to be the Colombian goalkeeper Andres Escobar, who conceded an own goal against the hosts, losing not only that match but also his life when he returned home for the ultimate penalty shoot-out.

1998 TRICOLORE TREAT

For once, the traffic of desperadoes clinging to the underside of the Eurostar wasn't strictly one-way as thousands of our fans made the short trip to France. Scotland was sent packing on the first P&O home, while England made it through to a second round showdown with their Malvinas-craving nemesis. But the Three Lions lost out on penalties again, shortly after Beckham's hissy fit earnt him a red card. Speaking of fits, buck-toothed wonder boy Ronaldo suffered a proper one, meaning his native Brazil were trumped in the final by the hosts.

2002 LATENT ORIENT

If the World Cup finals held in Japan and Korea can be remembered for just one thing, it has to be local boozers across Britain opening at 7am to show live games. Remember this was in the prehistoric days before there was a 24-hour licensed super pub on every high street. Once again, England were silenced in the quarter finals by Brazil, who went on to take the World Cup for a fifth time, but there was consolation in the opening group stage when Beckham's goal meant defeat for the Argies.

2006 KRAUT CONTROL

So what of this time? Well, England surely have the sort of squad that should be challenging for the title – if only they could count on their impassive manager to actually motivate them a bit. Failure would mean an ignominious exit for Sven, and a long bleak retirement, which he can dedicate to counting the millions he's diddled out of the FA. Victory, on the other hand, will make him a god among men. Only time will tell… ♣

CANNON FODDER

Silvia Saint's on a mission to make you masturbate!

PHOTOS: RUDEBOY

War, huh! What is it good for? Absolutely nothing. Apart from giving us an excuse to dress up one of the world's most famous porn princesses in army fatigues. And then get her to undress again. She was pretty pleased with the idea too, since it brought back a certain phwoar-time memory for her…

"I got invited to an army base on one of those morale-boosting missions a couple of years ago. It was all meant to be quite straightforward – I'd turn up, do a few sexy dances in front of the troops and have my photo taken with them – but it didn't quite work out like that. Being among so many physically superior men I couldn't help myself and let's just say I asked to see some privates on parade. One thing lead to another and the soldiers were soon going on manoeuvres all over my body, unleashing their friendly fire on me!"

We bet there had never been such a call for the troops to withdraw, but only so the next lot could have a go! ♣

READER'S GIRLFRIEND

Reckon your better half could be one of our best? Then get her to send a picture of herself, along with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street. London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Faye
AGE: 19
VITAL STATISTICS: 32-24-34
WHAT'S SHE LIKE? One of the keenest cuties we've had the pleasure of meeting!

WHY DID YOU WANT TO BE IN CLUB?
I was flicking through my boyfriend's copy of your mag and thought, 'I can do that'. So rather than discuss it with him I sent in my own pictures and here I am.

DID YOU ENJOY YOUR FIRST EVER PHOTO SHOOT?
Oh, yes. It was great fun. I have to admit I was really nervous at first but once I was naked in front of the camera I started to relax and the photographer told me I was a natural at it!

WOULD YOU LIKE TO DO MORE?
Yes, please. I'd love to do a shoot with my boyfriend but I'm not sure if he'd be up for it. He loves trying new things in the bedroom but I don't know if he'd be preapred to fuck me with other people watching.

WHAT'S YOUR FAVOURITE POSITION?
Because I'm so petite I love being on top, but not in a domineering way. I prefer to ride my boyfriend's cock and then twist and turn when he orders me to. I also like taking it from behind, nothing beats a good doggy-style ramming while I finger my bum.

YOU LIKE ANAL SEX THEN?
Definitely. It's my ultimate fantasy to be fucked in the pussy and the bum at the same time, but once again I don't think my boyfriend is too keen on the idea!

DVD

Desperate

(Private) ★★★

PRIVATE
Desperate
starring Tera

Tera Patrick's got just about the biggest name in porn these days (although Janine Lindemulder's probably got the longest), although her career of late has been slightly hampered by the fact that she only does boy/girl with her tattooed metal-head hubby. Anyway, this flick kicks off in *Sopranos* mode, with Tera trying it on with her (fake) bad cop hubby and, after an initial rejection and the first scene proper featuring a couple of tasty hookers, getting chained up and banged in a warehouse. OK, so it might be morally-sanctioned marital sex, but she still looks great taking a length! Some nice enough scenes follow, as Tera and her new chums set about scamming some hapless johns, until, inevitably, some real cops pitch up to piss on their bonfire. OK, so it's good to Tera in action again, but in fact the hottest scene is probably the first.

(Red Light District) ★★★★

Tease Me -then- Please Me
#3
Featuring
Cassie Courtland
Red Light District
CLUBREDLIGHT.COM
Directed by Michael Stefano

Pretty self-explanatory stuff this as ever reliable swordsman Michael Stefano and chums dick their way through an assortment of decent clump. Tiffany Rayne, Sierra Sinn and Marie Luv each have a go at cajoling the cameraman into slipping them a length before another guy joins in and DP duties ensue. Elsewhere, recent *Club* babe Brianna Love is literally foaming at the muff as she gets serviced in and out of the bath, while super slut Cassie Courtland gets to grips with Manual Ferrara and treats him to a tasty looking foot job among other delights before he unleashes a load right in her cake hole.

JACK'S TEEN AMERICA
MISSION #11
DP DIGITAL PLAYGROUND

Well, it may only be gonzo, but Jack's production – plus the quality of the girls – is usually pretty high, so we were keen to check this one out. Teagan Presley has more or less become the unofficial face of the series, and she kicks things off by introducing the dark-haired Tory Lane. She takes a full-on arse drilling before getting a frosting, and then it's Teagan's turn. She gets a good back-scuttling too, before slurping up man juice from a glass table. Bespectacled Austin's up next, getting a nice shafting in the shower before we meet Brit (and former *Club* Reader's Girlfriend!) Renee. Nice to see she's making a name for herself!

The Royle Family
The Complete Collection

The Royle Family

(Granada Ventures) ★★★★

On paper, the premise of a sitcom centred solely around a family sitting together around the TV in their living room doesn't sound too enticing, but when this Caroline Aherne and Craig Cash-penned comedy first appeared on our screens in 1998 we didn't leave ours. Now, with the release of the complete collection on DVD, fans of the work-shy couch potato Jim Royle and his family of Northern misfits have an excuse to stay on the sofa that little bit longer – all three series and two Xmas specials longer to be precise.

DVD

Fun With Dick And Jane

(Sony) ★★★

Despite the title of this film and the nature of our publication you'd expect this to be a skin-flick, right? Well, with a 12 certificate and Jim Carrey in the leading role, it's safe to say it's not. It's actually a remake of the 70s comedy hit and has that rubber-faced twerp and Tea Leoni turning to a life of crime when they fall on hard times. As you'd expect with that Carrey fella, there's plenty of slapstick laughs with a rise of the underdog moral in the plot but you'll probably have more fun with your own dick. And a girl called Jane.

DVD

Just Friends

(Momentum Pictures) ★★★

Typical. You wait ages for a film full of slapstick laughs with a rise of the underdog moral in the plot, then two come along at once. Ryan Reynolds plays a former high school nerd who, after transforming himself into a womanising music mogul, returns to his hometown ten years later and chances upon his teenage crush. Previously he'd never progressed past the 'just friends' stage with her, but now riding the wave of recent success, he decides to have another crack at her and when things don't go according to plan the laughter begins. Sort of.

The Dead Next Door

(Anchor Bay) ★★★★

As you can probably guess, this one isn't a film full of slapstick laughs with a rise of the underdog moral in the plot. It's a low budget blood fest, and not a bad one at that thanks to several subtle nods to George Romero's genre-defining work. After a man-made epidemic sweeps the world and prompts a rise in flesh-eating corpses, an elite squad is assembled to combat the problem. It gets worse when the team head straight for the lab where the virus originated and discover they're up against a zombie-worshipping cult, and from then on it's gore galore.

DVD

HELEN MIRREN
ELIZABETH I
"Magnificent drama" - The Evening Standard

Elizabeth (4 DVD) ★★★

If education chiefs wanted some ideas of how to spice up the history curriculum they could knock up a few star-studded dramatisations of the important bits. It seemed to work for Channel 4 when they told the story of one of England's most famous monarchs, casting Helen Mirren in the main role. Focussing on the Queen's later years, we get some idea of what went on in her private life, hardly a revelation these days but remember Elizabeth I reigned long before the paparazzi existed. Granted, you won't breeze through your 'A' level history exams after watching this, but if you like a classy bit of British M.I.L.F. then this'll appease.

DVD

TARTAN ASIA EXTREME

LADY VENGEANCE
"A MASTERPIECE"

Lady Vengeance

(Tartan Asia Extreme) ★★★★

As soon as Quentin Tarantino expresses interest in a particular film, there's another must-see movie in our midst. This was the case with Korean violent revenge thriller *Oldboy*, and here's the third in director Park Chan-Wook's loose trilogy. When a woman is released from prison after 13 years for her involvement in the murder of a child, she sets out to exact her revenge on the real murderer and redeem herself in the process, a journey made all the more entertaining by Lee Young-ae's splendid performance as the central character.

Tomb Raider: Legend

(Eidos) ★★★★

We're not sure if knocking one out over fictional video game babes is considered acceptable masturbatory practice but until we get caught and – more importantly – as long as the *Tomb Raider* series keeps going, we'll keep doing it. Lara's back, looking as beautifully enhanced as ever, and the same can also be said about the gameplay as she goes in search of some more ancient tat. As you'd expect it's quality gaming fare giving us the ideal excuse to indulge in some thumb-fidgeting and pixel-perving at the same time!

THE RIDE TO RECOVERY

I knew when I started training as a nurse that the uniform was a popular fetish, but that didn't bother me. Truth be told it was one of the things that first attracted me to the job, knowing that all those men would be fantasising about fucking me.

Last week, I had a seriously shitty day at work, and went straight to the pub when I'd finished my shift. Still wearing my uniform, I walked in and took a seat at the bar. I'd just ordered my drink when this right hunk of a lad called Steve asked what I'd like to drink.

"Just got one thanks," I said. "My name's Sarah by the way!" "Wanna talk about it?" he asked, with gorgeous fuck-me eyes. He must have figured I'd had a really crap day!

"No," I said. "But if you don't mind waiting while I get pissed, you can take me home and fuck the blues right out of me!"

He seemed to like the idea, and that's exactly what happened. This guy was in for a treat. I'm a big titted 30-year-old brunette with a nurse's uniform and a talent for sex, and Steve was going to get it.

I went down on him as soon as we were through the door. I was right, his cock was enormous, and even I had trouble deep-throating him. I massaged his balls as I blew him, occasionally licking my tongue naughtily into his Jap's-eye. Then, just when I sensed he was about to cum, I gave him the good news with a finger right up his arse. Just one nice firm prod of his prostate was all it took, and he unloaded an absolutely massive whack of dick-sick right down my throat.

"I bet you've never had your prostate examined during a blow-job, have you?" I asked him naughtily as he tried to get his breath back.

"No I haven't," he said, blushing and looking rather embarrassed. His come was dribbling down my chin and on to my exposed cleavage, and it was my turn to get what I wanted.

"You certainly did some coming though didn't you!" I teased him, licking more jism up off his pulsating cock. I then informed him, making certain there was no mistake about what I wanted him to do to me.

He nodded in consent, so I led him to my bedroom and told him to get undressed. As he hurriedly threw his clothes off, he watched as I lifted my skirt and exposed my knickers. I massaged my slit through my skimpy undies for a moment before turning my back to him and slowly lowering them, bending right over to ensure that he could see my anus.

Fortunately I was drunk otherwise I'd have been a bit apprehensive about taking such a big cock up my arsehole. I'm always taking it up my bum, but Steve was so big I wasn't sure I'd be able to accommodate him in my tight back passage. His cock was fully erect again and it was an impressive tool, still wet with his cum and my saliva.

> ***"His cock was fully erect again and it was an impressive tool, still wet with his cum"***

Once my knickers were off, I told Steve to get the lube out of the bedside table and grease me up. I made my way over to the dresser and bent over it, pulling my bum cheeks wide open so Steve had easy access to my tightest hole.

He didn't need any encouragement. He applied a large quantity of lube to his fingers and then began to smear it between my buttocks. It felt so good as Steve lubricated my arse cleft and anus with a generous helping of the slippery jelly. He massaged my rump all over, sending tingling sensations all through my body, and he fingered my cunt and arsehole skilfully.

"You ever done a girl backwards before?" I asked him, purring as he inserted a finger into my anus.

"No," he replied, "but there's a first time for everything!"

I knew he was going to enjoy it. Once he was satisfied with the amount of lube in and around my ring, he then applied some more to his cock, just to be sure.

Next thing I knew I was in that ecstatic world of pleasure-pain as Steve rammed is huge cock right up my arse. Somehow he managed to push his entire length inside me in one go, and I squealed with joy as I felt his nuts thwack against my rear.

"Oh that's right," I moaned, as I adjusted to having my bottom penetrated. "Now shaft me as hard as you can!"

He didn't hesitate. Steve slowly withdrew till he was only just inside my rectum, and then, grabbing my hips, buggered his cock right back up there, sending me wild with excitement.

I was in another world as he pumped his penis frantically in and out of my slippery arsehole. He grunted and groaned with exertion as he did it to me, ramming my rear entrance just how I liked it. My cunt was dripping with my juices, and I reached down underneath myself to frig my clit and shove two fingers up my gaping twat.

"Fuck me harder you dirty bastard!" I screamed, and Steve did so, driving his penis deeper and deeper into my bottom.

I came in a very short time. Frigging myself as hard as possible I orgasmed and my cunt squirted almost as much of my hot juices down my inner thighs as Steve had pumped down my throat.

"Oh fuck!" I managed to wail. "Cum deep inside me, Steve!"

He did just that. As my body spasmed in orgasm, my anus tightened around Steve's cock, and he growled as he ejaculated. He leaned over me and squeezed my tits hard as he pumped his semen deep inside my hot little arse. The feeling was incredible, and I came again, almost immediately!

I thanked him kindly as he withdrew from my back passage, and then asked him to rub the cum leaking from my open anus into my cunt and buttocks – magic!

It was the uniform that did it, I'm sure, and I'm pleased to say that my new boyfriend seems to have an endless supply of spunk whenever and wherever I want it! – *Sarah, Nottingham*

TAKE MY WIFE

My delectable wife Kath prides herself on being a right dirty bitch and one particularly steamy night she surpassed all expectations. Kath and I had arranged to go for a drink with another couple, Ben and his wife Joanne, but an hour before we were due to meet Ben phoned and cancelled. Apparently they'd had an argument and Joanne had stormed out of the house. Kath was disappointed and phoned Ben back. After some gentle, female persuasion, he agreed to meet the two of us for a drink at our local. This pleased my missus no end and I had my suspicions as to her intentions but decided to keep my mouth shut for the time being.

> **"She'd built up a steady rhythm, her head bobbing up and down as she deep throated Ben's thick rod"**

The three of us met at the pub and after a few drinks everyone relaxed, none more so than Kath who was flirting outrageously with Ben. I sensed Ben felt uneasy with Kath's overt attention but once he'd realised that I was completely at ease with my wife behaving like a total tease, he relaxed and enjoyed the attention.

At closing time all three of us were pretty merry but Kath was keen to make a night of it and practically begged Ben to come back to ours. I had a good idea what Kath was up to and so did Ben who, despite the drink, was clearly quite nervous. I assured Ben that he was more than welcome to join us and eventually he agreed.

Back at our house Kath got comfy on the sofa next to Ben whilst I went to fetch three drinks. I was fairly sure what to expect when I returned. Previously, Kath had described her fantasy of a threesome with me and another man, she'd even suggested that Ben would be ideal as the other guy.

Sure enough, I walked into the lounge to find Kath straddled over Ben with her tongue shoved firmly down his throat. Ben saw me and tensed up but I assured him that everything was fine and as long as he felt comfortable he should continue to enjoy himself.

Ben immediately took my words to heart and pulled Kath's top off, undid her bra, then groped her tits as they kissed passionately. I sat in the seat opposite and watched as my naughty wife clearly enjoyed the taste and feel of another man.

Kath undid Ben's trousers and practically ripped them off his legs such was her enthusiasm. With him sat in the chair, naked from the waist down sporting a throbbing hard on, my cock-hungry wife took one greedy look at his man meat before eagerly forcing it into her mouth. Within seconds she'd built up a steady rhythm, her head bobbing up and down as she deep throated Ben's thick rod. She always gave a good blowjob.

After a minute or so of serious sucking Kath stopped, much to Ben's disappointment, and stripped naked, ordering me to do the same. On all fours Kath spread her legs and pointed her arse towards me. She crawled over to Ben and sank her mouth back over his pulsating prick. At the same time she reached between her legs and fingered her glistening pussy knowing full well I'd be thrashing my cock at

the sight of the filthy slut.

Eventually Kath beckoned me over and sat me down next to Ben. I was barely comfortable before she had my cock half way down her throat whilst pulling furiously at Ben's stiff dick. She then swapped and wanked my cock whilst gobbling Ben's.

Kath was in her element, loving every moment of being a cock-sucking whore and I have to admit she did look pretty amazing. With her mouth well and truly exploited, Kath wanted her cunt filled. She climbed on top of Ben and, facing away from him, began to ride his fat pole. She moaned and squealed in delight, clearly enjoying his length and girth but she wanted more. Kath pulled me in front of her and placed her luscious lips over my bell end. She then proceeded to lick and suck my length whilst getting properly shafted from the other end. After a few minutes of roasting my missus Ben screamed that he was about to cum but Kath was having none of it.

"Don't you dare come inside me," she said, "I want to taste you; I want you all over my face."

Ben was only too keen to comply. Kath climbed off Ben, pulled him to the edge of his seat and on all fours she started sucking him. Not wanting to miss out, I knelt between Kath's legs and ploughed my tool into her sopping fanny. I then proceeded to fuck her from behind like I'd never fucked her before. Even with Ben's cock in her mouth, the squealing and groaning noises Kath made were amazing, she truly revelled in her role as a porno princess.

Ben could hold on no longer and with a final triumphant sigh he wanked stream after stream of hot spunk across Kath's face and into her gaping mouth. As he squeezed out the final few drops she eagerly took his cock in her mouth and sucked him dry.

> **"Even with Ben's cock in her mouth, the squealing and groaning noises Kath made were amazing"**

"I want yours now you dirty fucker," she said turning round and reaching for my cock with her lips. Kath played with my bollocks while working the shaft with her mouth and then took one of my balls between her lips and gently sucked while wanking my rigid cock. She knew that would do the trick and sure enough, was soon wanking my sticky muck all over her tongue, lips and face. She continued to pull my knob until she'd milked every last drop of spunk.

What a sight, my lovely wife's face covered in two loads of jism. Kath couldn't stop smiling, Ben was sat there in disbelief and me, well, I was keen to arrange another threesome or foursome or five… – *Paul, Midlands*

SUITED & ROOTED

I catch the train everyday for work, it's not a long trip but gives me time to wake up. One morning I was sitting on the platform when I felt as though someone was watching me. When I looked up I noticed who had been looking at me, a hunk in a three-piece suit, standing a little way down the platform.

When the train got there we both boarded the same carriage. It was already standing room only and I spent the next half hour glancing over the other passengers' newspapers at the three-piece suit man. We kept catching each other looking, it was fun and made the journey go quicker. Then he got off at the station before mine.

The next day I decided I would make more of an effort with my outfit and wore a tight-fitting skirt suit. When I saw him at the station, I noticed the way he looked me up and down, nodding his approval. When we got on the train I was able to get a seat next to the aisle. I positioned myself so that my legs were facing the three-piece suit man and I made sure he got a nice clear view when I crossed and uncrossed my legs, Basic Instinct style.

Then I bent down pretending to look for something in my bag, letting my jacket fall open slightly, giving him a direct view of my ample cleavage. It was a lot quieter on the train the next day, I was wearing a skirt again so that I could continue teasing my new friend. When I sat down he actually came and sat next to me. I crossed my legs and let one of them accidentally brush up against his. He let his hand fall down by his side and began to gently rub my thigh. I arched my back, which pushed my breasts up higher, I noticed his eyes widen and he began squeezing my leg at this. I was getting quite turned on by his obvious attraction to me but his stop was coming up. Just before he got up he pulled out his business card, and I gave him mine.

Later that day I had a call from him asking me if I wanted to meet

after work for a drink, which we did. We chatted about a few mundane subjects even though that wasn't what we were thinking about. We had been sitting in the corner of the pub and while chatting we had been feeling each other up under the table. I could tell he was getting very aroused and when he suggested going somewhere quieter, I agreed and said I knew a great hotel nearby.

Twenty minutes later we were entering a hotel room. We were both really horny and he told me how he had liked my teasing on the train but that it was his turn now.

I didn't know quite what he meant but was excited none the less, we stripped each other bare as soon as the door was closed. We began exploring each other's bodies, kissing, licking, nibbling and caressing. During this time we had been edging towards the bed, then he grabbed his tie and tied my hands to the bedpost. At this point we were both very aroused, he spread my legs with his, the head of his erect penis centimetres away from my moist pussy. I gazed into his eyes, the longing was undeniable. He moved forward and started to rub the tip of his swollen manhood up and down the length of my pussy lips. Just rubbing it back and forth, occasionally dipping it half an inch into my now soaking cunt.

I couldn't hold back the pleasure coursing through my body and let out a small moan.

"Fuck me!" I pleaded. But he wasn't going to let me off so easily. I could see it in his eyes. Being tied to the bed, I could do nothing but lay there and beg. He increased the pressure a little and concentrated the tip of his cock on my clit. All I wanted was to feel his solid cock inside me, he laughed as I tried pushing myself against him. He continued rubbing my clit with the tip of his dick, it felt so good and I was struggling to keep control.

"He continued rubbing my clit with the tip of his dick, it felt so good"

"Fuck me you bastard!" I managed to yell between shortening breaths. He held me down and continued his assault, while I groaned, "You... fucking... tease. Oh fuck! I'm going to... ahhh..."

As my orgasm started to rip through me he rammed home with his solid cock. I screamed as he pushed into me as deep as he could. I lay there, body spasming on the end of his dick. Finally relaxing enough to get my breathing under control I turned to face him.

"You're an arsehole!"

He laughed at me then untied me and said, "we're even now!"

"Maybe," I replied, "but we're not done yet, now fuck me properly!"

We laughed and I rolled him onto his back and began riding him as hard as I could. – *Anna, Kent* ♣

Where you can still leave your backdoor open

BUM VOYAGE

My name is Mandy and last autumn while on a break with a group of friends I did something very naughty. We had caught the overnight ferry to Holland and once on-board the boat we dumped our bags and hit the bar. I got chatting to a guy from London called Dave, who was going out to Amsterdam on the piss for the weekend. As the evening drew on we were getting on famously, drinking, dancing and flirting.

Around 11 o'clock Dave invited me back to his cabin. I finished my drink and followed him down below. Once inside, we fumbled around in his dark cabin and Dave slipped his hand up inside my skirt and rubbed my pussy through my knickers. My snatch was already dripping with anticipation so I unbuttoned Dave's jeans and grasped his meat feeling it harden in my hand. I wanked him slowly, making him stiffer until I could feel the veins running along his cock against the palm of my hand. I turned him around and sat him on the bed.

Kneeling between his legs I lowered my head down and kissed his bulbous helmet. I tongued all the way down his shaft before taking his balls into my mouth and sucking slowly on them, before returning to his hot knob. I took it slowly into my mouth and wrapping my lips around his shaft, I sank his meat to the back of my throat, slurping and gobbling his prick, leaving trails of saliva running down his shaft.

Suddenly I felt hands on my back that couldn't have been Dave's. I froze for a second as I felt this new pair of hands caress my buttocks. The cabin was dark and I hadn't noticed that we were obviously not alone. I had never been with more than one person at once before, but it seemed I was already in this way over my head, so I returned my attention to Dave's meat and let the situation gather pace out of my control.

I felt two fingers creep inside my knickers and rub against my throbbing snatch. They snaked their way through my thick, dark bush and disappeared easily into my soaking slot. They pumped rhythmically inside me, before withdrawing and I felt two fingers curl around the band of my panties and yanked them in one, swift movement that tore them almost clean off. I gasped at the roughness, then let out a muffled shriek as a bulbous helmet pushed against my cunt lips, before driving home in one swift movement. I felt a total slut having both my pussy and mouth fucked by people I didn't even know, but the feeling was electric.

> **"Then in one swift movement he sank his meat past my sphincter into my arse "**

Dave suggested we change positions and I was manoeuvred onto the bed on my back. My new companion knelt at my head and tilting my head back over the pillow he pushed his salty cock down my throat, whilst he squeezed my tits and twisted my nipples making them harden into stiff little buds.

Dave put his hands behind my knees and pushed them right back almost to my ears whilst I gobbled my own pussy cream from the cock wedged into my throat. Dave's tongue snaked around my pussy before he dipped it slowly into my puckered ring-piece, licking and lapping all around my arsehole. He slipped one finger inside my anus and loosened me up.

I love being fingered up the arse, my last boyfriend used to do it whilst he licked me out and it never failed to drive me wild, but I was shocked when I felt his helmet nuzzle against my pink flower. Then in one swift movement he sank his meat past my sphincter into my arse right to the very hilt. I screamed with sheer fuck lust as his rock hard pole filled my bum. By now my hands were being knelt on, my legs being held by the ankles and my arse and mouth filled with cock. I was totally helpless and at the total mercy of these two horny strangers.

My mouth was being fucked furiously and I gobbled his meat as well as I could as he forced his cock further and further down my throat. I bucked and thrust as a mighty orgasm ripped through my slender, helpless body, leaving my hot and wet with a filthy, whorish desire. I could taste come as it leaked from the bulbous helmet filling my mouth and I could hear him groaning as he approached orgasm. I readied myself to swallow his sticky seed but at the last minute he whipped his cock form my throat and wanked his prick furiously. A huge string of spunk flew from his cock and sprayed all over my cheeks, lips and chin. What seemed like pints of love-cream fired from his cock, landing in my hair and splashing across my tits, and when his cock was finally empty he pushed it back between my lips, so I could suck off what ever was left.

I returned my full attention to Dave as he banged away in my tight arse, whilst his com-

panion continued to restrain both my hands and legs. He too was grunting and groaning and I could tell he was ready to pump his cream up my arse. He thrust so deep into my bum, I thought he would split me in two, then after several mighty thrusts, he too pulled his cock from inside me and sprayed his jism over my bare belly and bush. I lay back on the bed covered from head to pussy in a mixture of delicious come, revelling in the warmth and relaxation that comes from a good fuck. Then suddenly, the light came on and Dave's mate quickly gathered my clothes from the floor and threw them onto the bed beside me.

"You'd better fuck off," he said to me bluntly. "My girlfriend could be back any second". I looked at him in astonishment, but he wasn't joking. I dressed quickly and left the cabin, my legs still shaking and my face and hair still plastered in hot, sticky semen and dived into the first bathroom I came to for a tissue! – *Suzie, Cambridge*

IN ZE REAR

If you've ever seen one of those German porn films, you may not be able to understand a word that is being said, but you probably know that it won't be long before one of the Frauleins starts taking a huge cock up the arse. I've never really understood their liking for such things, but a German girl I met last summer changed all that.

She was quite petite, 23 years old with mousy hair and green eyes and was spending three months over here to improve her English. She loved my laughable attempts to remember my school German (I knew that GCSE would come in handy one day) and we hit it off straight away. We started seeing each other and I quickly discovered that she was more than happy to drop her knickers so I could enjoy the delights of her body. And what an amazing body she had too. Despite her small frame, her tits were quite large with fantastic pink nipples, a super-smooth little bum and a fluffy-haired pussy. She had no inhibitions, fucked enthusiastically and I loved shooting my spunk inside her on a very regular basis.

We discovered that we both liked lots of foreplay before the main event and she would spend ages teasing and tickling my cock with her fingers and tongue, then sucking me right to the verge of coming. In return, she would bend over while I pushed my face into her lovely bum and licked and probed her wet pussy until my tongue ached.

"I love it when you lick me from behind", she commented. In fact, she loved being touched and fucked from behind too.

During one such session together, she was bending over as usual and I was lightly running the tip of my finger along her bum crack when I brushed it over her bum hole. She squealed and her body jolted.

"Do you like that?" I asked. She just groaned in reply. I decided to become bolder and repeatedly ran my finger from her wet pussy to her sensitive bum hole and back again. She was groaning louder than ever as I continued to tickle her bum with my fingertip.

"Please, I want your cock in my arse", she said. I was slightly taken aback as I had never done that before, but she handed me a bottle of body lotion and asked me to lubricate her. I did as I was told and generously smeared it onto her bum hole and over the end of my stiff cock. I gently pushed my cock into her anal entrance, but she was too tight. She relaxed as I pushed forward, her bum hole opened slightly and the end of my cock entered her rectum. She gasped loudly as I gently inched into her and, gripping her hips, slowly pulled her back onto me until I was fully inside her. I paused, savouring the experience of anal sex for the first time. Her arse was unbelievably tight, far tighter than any pussy, and I knew I would not be able to last very long. As I gently started working my cock in and out, her groans became even louder and she gasped something in German I couldn't understand.

Within about half a dozen thrusts, I could already feel myself building up to the point of no return and we were both moaning louder and louder as I quickened my pace. The feeling of her tight bum around my cock was simply too much to bear and as our bodies shook in unison I exploded with an incredibly powerful orgasm and climaxed right up her arse.

From then on, anal sex became a regular part of our sessions together. With my cock in her bum and a finger rubbing her clitoris, she would be reduced to a quivering wreck and would come every time. – *Dean, Southampton* ♣

ENGLAND

STELLA

PHOTOS: RUDEBOY

Now I'll admit that I'm not usually a football fan but – like many girls – I do take interest when the World Cup is on. And especially when one of the home nations is playing. It's a shame Wales, Scotland and Northern Ireland didn't make it this year but at least there's plenty of talent in the England squad. I wouldn't know which one I'd go for first but I reckon I could handle the whole team!

Seriously though, there's alway such a great atmosphere when games are being played and it's amazing how easy it is to get laid when we win. I remember watching an England game on TV in a pub once before and when they scored, drinks went flying everywhere. My top was soaked and you could blatantly see my boobs and my nipples poking through it. I reckon more guys were watching me during the second half than were watching the game.

Anyway, England eventually won the match and everybody started hugging each other. Obviously I took things a bit further and started rubbing the groins of two lads either side of me. Then we got caught up in a celebratory conga around the pub and I soon found myself taking the two guys into a toilet cubicle with me and let's just say with a bit of team effort both of them took shots and scored – right at the back of my throat!

Ooh, just thinking about that time is making me horny. I hope the lads do well in Germany so there's more to come. Cum on England! ♣

ANDIE

RUSTIC RANDY

Just how will Andie keep herself amused?

PHOTOS: MB EUROMEDIA

It's a good thing Andie enjoys her own company because she's spending a fortnight by herself in her parent's holiday cottage in a remote part of France. That's two whole weeks with no television, no internet access and, worst of all, no contact with any other human beings. Apart from some old rural French ones. How on earth is she going to cope?

"Oh, I'm sure I'll get by. It shouldn't be too difficult and I'm quite looking forward to the peace and quiet. It'll certainly make a difference to the busy life of London. I must admit I'm not looking forward to going without sex though, but if things get that desperate I've got a pile of *Club* back issues and my filthy imagination to keep me going. I quite like the idea of scouring through your magazine and relieving myself by hand. I know the standard of girls in *Club* is superb so I'm in for a real treat. Now what would be really amazing is if all the girls from one issue came to stay with me in the cottage, imagine the fun we'd have then."

A girl who likes to think filthy – now that's a pleasant thought! ♣
